

IGERT Colloquium Series  
 Spring 2004  
 Fridays, 1:00 PM, 144 Wilkeson Quad  
 (\*unless otherwise indicated)

Date	IGERT Speaker
Jan. 16	Dr. James Jensen, Dept. of Civil, Structural, and Environmental Engineering, UB <i>Topic: "The Art of Speaking Technically"</i>
Jan. 23	Mr. Shawn Matott, IGERT Colloquium Coordinator <i>Topic: "Spring Colloquium Overview"</i>
Jan. 30	Dr. Robert 'Gil'Pontius, Jr., Dept. of International Development, Community, and Environment, Graduate School of Geography, Clark University, Worcester, MA <i>Topic: "Map comparison methods that give useful information"</i>
Feb. 6	Dr. Jean-Claude Thill, Professor, Dept. of Geography, UB <i>Topic: "Fire company response times: Issues and planning solutions"</i>
Feb. 13	Dr. Paul Torrens, Dept. of Geography, University of Utah, Salt Lake City <i>Topic: "Emerging trends in spatial simulation"</i> Co-sponsored by UB Geography Colloquium Series.
Feb. 20	Dr. Munroe Eagles, Associate Dean of Graduate Studies; Dept. of Political Science, UB <i>Topic: "The local dimension of Canadian federal elections"</i>
Feb. 27	Dr. Tony H. Grubestic, Dept. of Geography, University of Cincinnati, OH <i>Topic: "An exploratory spatial analysis of wireless fidelity (802.11b) access"</i> Co-sponsored by UB Geography Colloquium Series.
Mar. 5	Session Cancelled
Mar. 12	Mr. John Donahue, Director of Career Planning and Development, UB <i>Topic: "Post-IGERT career training workshop"</i>
Mar. 19	Spring Break
Mar. 26	Dr. David Tulloch, Dept. of Landscape Architecture; GIS Applications Program Leader, Grant F. Walton Center for Remote Sensing and Spatial Analysis, Rutgers University, New Brunswick, NJ <i>Topic: "An institutional perspective on public participation GIS"</i>
Apr. 2	Dr. Naru Shiode, Dept. of Geography, UB <i>Topic: "Dividing spaces: Recursion, diffusion and generalization of the spatial tessellation process"</i>
*Apr. 9	Dr. Carolyn Merry, Dept. of Civil and Environmental Engineering and Geodetic Science, The Ohio State University, Columbus, OH <b>NOTE: 11:00 AM, 206 Furnas Hall</b> <i>Topic: "Using remote sensing in civil engineering applications"</i> Co-sponsored by UB Environmental Engineering Seminar Series.
Apr. 16	Session Cancelled
Apr. 23	Mr. Michael Connett, Web Manager, FluorideAction Network, Burlington, VT <i>Topic: "Mapping fluoride: Exploring the potentials of GIS"</i>
